Salary/Wage	£20,020 [pro rata]
Hours	28 hours a week, including regular evenings / weekends
Line Manager	Sexual Health Outreach Team Leader
Coordinated by	Manager, Sexual & Reproductive Health
Employer	METRO Charity (Metro Centre Ltd)
Location	Main location of work is METRO Greenwich/Outreach in Greenwich and surrounding area.

Job Outline

METRO are seeking a committed, motivated, and outgoing individuals to work as part of the Greenwich Sexual Health Outreach Team. The primary aims of this role are to work on an outreach basis in a variety of settings to promote Greenwich Sexual Health through delivering services, information, and referrals. In doing this you will conduct Chlamydia Screening, register young people to the Greenwich C Card Scheme, promote Greenwich Sexual Health online testing, and deliver presentations on sexual health and contraception.

Primarily working with young people aged 15-24, you will support the National Chlamydia Screening Programme, whereby you will demonstrate and distribute Chlamydia Self Testing Kits in an outreach capacity, in areas such as schools, colleges, universities, leisure centres, youth organisations, and other venues. Additionally you will support the Greenwich C Card scheme, by promoting and registering eligible young people to the free condoms scheme.

You will also promote local sexual health and contraception services to young people and adults alike, referring people into local in-person or GSH online testing services. You will be expected to deliver accurate information to a broad range of individuals on issues relating to sexual health and contraception and, where appropriate, sign post into services. Accurate monitoring records will be kept for all interactions, referrals, Chlamydia screens, and C Card registrations / distributions.

You will also work approximately one day per week in the Greenwich Sexual Health Office, fielding calls, completing data entry and supporting Sexual Health Office staff in an administrative capacity. Office based support will be completed in a flexible manner and will be scheduled around the needs of the outreach bookings rota.

Finally, you will participate in staff training initiatives in order to be issued with a Passport to Practice, and be responsible for supporting and delivering sexual health presentations and workshops after passing adequate training and assessment.

This role requires flexibility and working unsociable hours. Schedules will be done up to one month in advance and will vary from week to week depending on programme need. METRO are seeking one person to work primarily during daytime hours, and two persons to work primarily during evenings and weekends.

Main Tasks

1. Promote in-person and online Greenwich Sexual Health services to young people and adults alike throughout the Royal Borough of Greenwich, signposting and making referrals when appropriate
2. Assess the age of young people in order to determine if appropriate to test for Chlamydia or register for a C Card
3. Encourage young people to screen for Chlamydia and to register for C Cards in an outreach basis, fully explaining to individuals the form filling process and how to provide the urine sample.
4. Ensure client confidentiality is maintained and client identifiable information is transported and stored safely and securely, and that all C Card registrations and Chlamydia screens are posted / returned in a timely fashion
5. Deliver accurate and up to date information to large and small groups of young people on Chlamydia, STIs and Contraception and the range of local services available.

6. Support the development of relationships with local partner organisations by acting appropriately and professionally when working around young people in schools, colleges and all youth settings.
7. Source new venues where outreach and service promotion can be conducted
8. Attend quarterly staff training sessions and to actively pursue obtaining a Passport to Practice
9. Support and deliver sexual health and relationships education training to young people
10. To be aware of and report any Child Protection issues promptly to the METRO Safeguarding Lead
11. Meet daily screening targets set and reporting back to the Team Leaders any issues that may arise promptly
12. Assist in the set up and dismantling of displays where necessary
13. To be punctual and professional at all times, always wearing the GSH uniform
14. To work proactively and to use own initiative to find young people and to maximise the use of outreach time by promoting other services when appropriate
15. Support Sexual Health Office staff in an administrative capacity, taking calls, entering data and posting orders to clients.

Other Duties

- Adhere to METRO policies and procedure at all times.
- Ensure sensitive and confidential recording of information in accordance with the Data Protection Act and METRO's Information Governance Policies
- Attend monthly formal as well as informal supervision, as requested
- Attend relevant team and METRO-wide meetings and training as possible
- Contribute positively to the life of METRO
- Engage in any other activities as relevant and requested by management.

- Undertake monitoring and evaluation of all activities and projects in order to produce a record of work undertaken including outputs, and where appropriate outcomes of such work.
- Ensure sensitive and confidential recording of information in accordance with the Data Protection Act.
- Keep up to date with developments occurring within the sexual health, contraception and HIV/AIDS fields especially among young people and those most at risk of HIV/AIDS
- Undertake administrative work generated by the post and to ensure that such work is complete.
